

EMPLOYMENT OPPORTUNITY UTILITY OPERATOR

Starland County is seeking a permanent, full time, energetic, qualified Utility Operator to join our team. The Utility Operator is responsible for performing a variety of construction, repair, installation and maintenance activities in support of water and wastewater systems, operating a variety of equipment and tools related to maintenance and repair activities, and performing related duties as assigned. Having completed the Class 1 Water and Wastewater Operations Certificate is a preferred qualification for this position. The successful applicant will have a minimum of three (3) years of related experience. The Utility Operator must have a valid Class 5 driver's license with a preferred Class 3 license. The job duties will include, but are not limited to the following:

- ✓ Water main maintenance and repairs
- ✓ Collection of treated water samples and meter reads
- ✓ Operating equipment including back hoe, excavators and loaders
- ✓ Use of line locating and detection equipment
- ✓ Irrigation equipment and maintenance

The successful applicant will be required to work a 40 hour work week with some on call duties after regular working hours. A competitive salary and excellent benefits package is available. The successful candidate must have the ability to represent the County in a professional and competent manner.

If this opportunity is of interest to you, please forward your resume to the address below no later than August 17, 2018.
