

STARLAND COUNTY

COUNCIL MEETING, JUNE 27th, 2018

A regular meeting of the Council of Starland County was held in the Community Hall, Munson, Alberta, on Wednesday, June 27th, 2018, commencing at 9:50 a.m.

Attendance Present: Reeve: Steve Wannstrom
Deputy Reeve: Bob Sargent
Councillors: Jackie Watts, John Rew and Murray Marshall
Staff: CAO Shirley Bremer
Assistant CAO Matthew Kreke

PW Report At 9:50 a.m. Assistant Public Works Supervisor Colby Black attended the meeting and reviewed his Public Works Report with Council. Highlights of his report included the following:

- The PW crew has been hauling the road crew equipment, assisting with the office fire recovery, installing culvert, cutting up trees, installing signs and filling pot holes.
- Gary and Kevin have been doing regular maintenance of the County's heavy-duty equipment and CVIPs as required. Thomas has been working on the specs for the new excavator and tractor to be ordered.
- Buck continues with regular maintenance on the county light duty fleet and CVIPs as required.
- Gradersmen have been maintaining gravel roads.
- Colby has been preparing quotes for alleyway improvements in Craigmyle, helping with the office fire recovery, doing safety meetings and timesheets and meeting with ratepayers and councillors about road and culvert issues.

C18-098
Gravel Days

[C18-098] MOVED BY COUNCILLOR MARSHALL

that Starland County Gravel Days be set for July 17th and 18th in the Moench Pit and July 19th in the Scollard Pit. Gravel sales to be done in accordance with Policy 320-5.

CARRIED UNANIMOUSLY.

Departure At 11:10 a.m. Colby departed from the meeting.

Attendance of
Manager Riep
& Municipal
Services Report

At 11:15 a.m., Municipal Services Manager Riep attended the meeting and reviewed his Municipal Services Report with Council. Highlights of his report included the following:

- The Munson Truck Fill is up and working well. The station has shown to be very busy with agricultural traffic. The Craigmyle Truck Fill has also been converted to the pin code system and seems to be working well.
- Glen has been extremely busy with the aftermath of the fire at the administration office. He has been involved with both the investigation as well the recovery of essential items where possible. Overall there are still massive losses associated with the fire including operational infrastructure related to managing the County water system. He is working with MPE on replacing the damaged equipment.
- More problems have occurred with the CLV Booster Station solar installation. The previous installation is not in compliance with the current Safety Code and correcting this issue will require new panels and installation.
- Glen is working to arrange site development along with the Road

Crew for the temporary administration office site. Water and sewer into the site with grade being developed over the next week with power, telephone and gas to follow.

CLV Booster Station Site Early discussions are taking place with Garry's Welding concerning the rental or purchase of some property in conjunction with the existing booster station near the Carillion shop in Drumheller. Occupancy of our current site is uncertain as well the current site is subject to repeated flooding. Glen will be looking to enter into a lease or purchase of some adjacent property for the expansion and relocation of existing facilities.

Departure At 12:15 p.m. Glen left the meeting.

that the Financial Statements for May 2018 be approved as submitted.

CARRIED UNANIMOUSLY.

CAO Report

Chief Administrative Officer Shirley Bremer reviewed the CAO Report with Council. Highlights of the report included the following:

- Following the fire at the administration office in Morrin on May 25th attention has been devoted almost entirely to the aftermath and planning for the future.
- Major first steps included the set up a rudimentary office space that could accommodate all of our staff. The new Munson Fire Hall was constructed just in time for this purpose and has now been outfitted with wireless networks, office supplies, printers/copiers and tables and chairs. Additionally, as no hard phone line presently exists in the Munson Fire Hall a temporary reception office is set up in the Public Works Office which incorporates the main phone line.
- We are still waiting for a final report from the Fire Investigator and however the location looks to be isolated to a downstairs office and a plugged in rechargeable device. Our adjusters have hired a company, Belfor, which is in charge of site reclamation. So far after cleaning out the file storage vaults it looks like very little will be restored due to water and smoke damage. However due to a successful restoration of our file server all of our critical operational documents have been recovered. An effort will also be made to do advanced restoration on many of our important historical hard copies.
- Moving forward we are working with MPE and ATCO Structure to locate and setup a portable office trailer system in the Village of Morrin. The structure that has been identified will be 6,500 square feet and fully outfitted with offices and communications

infrastructure. We are hoping to be in the new structure by the end of July.

Land Purchase Notice was received from Brent Olmstead of Craigmyle that he has accepted our offer to purchase Lot 23, Block 2, Plan 7030 AW for \$4,000. Administration will now be preparing the land transfer documents.

Bylaw 1133 Assistant CAO Kreke reviewed the draft copy of Bylaw 1133, the Councillor Code of Conduct. The Bylaw is mandated to be adopted by the new Municipal Government Act. The Bylaw sets guidelines for the behaviour of Council Members, limits for gifts, available punishments and disciplinary procedures.

AHS Letter

Council was presented with a copy of a letter from Lori Sigurdson, Minister of Seniors and Housing addressing concerns raised in a previous letter from Mayor Heather Colberg of Drumheller. The letter outlines the Ministry's current programs aimed at addressing continuing care capital expenditures. Currently the Government of Alberta has issued a Request for Proposals for groups wishing to expand or renovate facilities to accommodate continuing care patients.

MSI Funding

A letter was received from Municipal Affairs detailing Starland County's 2018 Municipal Sustainability Initiative funding. A total of \$961,616.00 in Capital and \$113,070.00 in operating grants have been allocated for this year's program to Starland County.

C18-107
Meeting
Cancellation

[C18-107] MOVED BY DEPUTY REEVE SARGENT

that the regular meeting of the Council of Starland County scheduled

for July 11th be cancelled.

CARRIED UNANIMOUSLY.

Drumheller River Hazard Study Following a meeting on June 21st with Peter Bezeau and Jane Eaket from Alberta Environment, an update email was received outlining dates for various activities supporting the Drumheller River Hazard Study which will be completed over the next two years. Information from the study will be available to municipalities and the public after completion in 2020.

Sharpe Road Concerns Concerns were raised by Gerard Neill of Starland County about the proposed alteration to the section of Range Road 21-1 where it meets with Highway 838 as described in the road construction plans produced and distributed by Stantec Consulting. He is concerned that the proposed offset intersection would create an unsafe environment for large and long farming equipment attempting to turn.

FCM Guide to Cannabis The Federation of Canadian Municipalities has produced a Municipal Guide to Cannabis Legalization aimed at helping municipalities work through the key considerations they will need to make when regulating cannabis.

Royal Canadian Legion The Alberta-North West Territories Command of the Royal Canadian Legion is requesting support in the form of a paid advertisement in their Annual Military Service Recognition Book. Starland County has supported this initiative in the past.

C18-108
Sponsorship

[C18-108] MOVED BY REEVE WANNSTROM

that Starland County purchase a quarter page ad in the Royal Canadian Legion Military Service Recognition Book for \$465.00 including GST.

CARRIED UNANIMOUSLY.

Marigold Library Annual Report and Funding Starland County received a copy of the Marigold Library Annual Report as well as an amendment to the requisition schedule for 2019 and 2020. The updated requisition schedule includes an increase

C18-109
Marigold Requisition Amendment

[C18-109] MOVED BY COUNCILLOR WATTS

that Starland County approve the updated Marigold Library requisition schedule at \$10.50 per capita for 2019 and \$10.74 per capita for 2020.

CARRIED UNANIMOUSLY.

Starland County Fire Loss CAO Bremer reviewed with Council the timeline of events that have followed the fire which destroyed the administration building in Morrin. Staff are currently set up in the Munson Fire working on laptops connected to a remote server. Staff have been busy ordering equipment, helping with document recovery and setting up new systems to ensure ongoing critical processes are maintained. Theo Owel from MPE Engineering has been contracted to work with ATCO Structures on our behalf to set up a mobile office structure in the Village of Morrin which would more appropriately house office staff. Early indications are that this structure will be available by the end of July.

SDAB Training Rural Municipalities of Alberta has released a number of training dates available for Subdivision and Development Board Appeal members. The new Municipal Government Act requires training for all SDAB members and Clerks.

RMA Scholarship Rural Municipalities of Alberta is accepting applications for its post-secondary scholarship program. The scholarship is designed to encourage young rural Albertans to pursue education and provides \$1,000 to one successful applicant from each of the five RMA Districts.
