THIS AGREEMENT made this \_\_\_\_\_ day of \_\_\_\_\_, A.D., \_\_\_\_\_, between:

Starland County
a municipal corporation (hereinafter called the Municipality)

of the first part, and

\_\_\_\_\_ of \_\_\_\_\_
(landowner name) (mailing address)

Telephone Number: \_\_\_\_\_ Cellular Number: \_\_\_\_\_

in the Province of Alberta, (hereinafter called the owner)

WHEREAS the owner desires the Municipality to apply Dust Control Product located

at \_\_\_\_\_
(Legal Description) (Rural Address)

\_\_\_\_\_ MG30 Dust Suppressant is a calcium chloride, magnesium hydroxide solution.
An example of the average calculation for this product would be \$1,854.00 + GST
(This cost is for a 200 meter stretch on a 9 meter wide road surface)

\_\_\_\_\_ DL10 Dust Suppressant is a softer asphalt emulsion surface spray.
An example of the average calculation for this product would be \$7,128.00+ GST
(This cost is for a 200-meter stretch on a 9 meter wide road surface)

NOW THEREFORE the Municipality and Owner mutually agree as follows:

- 1. Starland County will supply dust suppression for a minimum distance of 200 meters (656 feet) in front of a residence, industrial or commercial site on a municipal road allowance upon request.
2. The applicant will be responsible for the cost of the dust abatement product and the application equipment.
3. Application rates and material costs will be determined annually on a full cost recovery basis.
4. Application of the product is only available upon receiving sufficient orders to warrant ordering a truck load of product and is also subject to availability.
5. The County will provide a quote for this application dependent upon the length and width of roadway to receive abatement as well as the type of dust suppressant chosen.
6. All products are intended to provide dust control for one season only.
7. All product is subject to one application per year only. Starland County does not guarantee the effectiveness of the dust suppression agent. Once a dust suppressant has been applied, no refunds will be made.
8. The municipality reserves the right to blade any stretch of road that has the dust control product applied if poor road conditions warrant it. The Public Works Supervisor will contact the customer prior to any blading being done on the dust controlled area.

IN WITNESS THEREOF this Agreement has been executed on behalf of Starland County under its Corporate Seal, by its proper officers in that behalf, and has been duly executed by the Owner.
