CAO Report

Chief Administrative Officer Ross Rawlusyk reviewed his CAO Report with Council. Highlights of his report included the following:

- The final version of the 2013 Budget has now been completed. The Provincial budget cuts certainly impacted the County's budget as funding had to be allocated to infrastructure that would have been partially funded by grants in the past. The major items included repairs/replacement to two major bridges, as well as replacement of the Craigmyle Lift Station.
- Palliser Regional Municipal Services completed an application for funding under the Regional Collaboration Program. If approved, this funding would be used for flying new aerial orthophotos and GSI integration.
- Ross and Matthew recently attended the Annual Municipal Administration Workshop in Kananaskis.
- Friday, July 19th has tentatively been set for the Annual Family Picnic.
- Reid Atwood has shown a willingness to resolve the remaining deficiencies from the office construction, despite the move to

dissolve their company. The remaining outstanding issue is the roof leak and drywall in the Council room. The roofing company were here last Friday to evaluate this issue and we hope they will soon be able to complete the repairs necessary.

- A Toxic Waste Roundup will be held on Friday, June 7th, at the Starland County Public Works yard.
- Ross met with Bob James, who is a Board member with the National Retriever Club of Canada. They are holding a National Championship in Starland County from July 1st through to July 6th. They previously used the property we recently purchased from Dick Trentham for holding training sessions and he would like to use this property again. This group will be staying in Rowley and will be holding their banquet in Morrin on June 30th.
- There was an illegal oil spill reported within the County last week and the incident was reported to Alberta Environment and to the RCMP as well. This oil was in a municipal ditch and Alberta Environment advised that we needed to clean up the mess.
- All of our senior supervisors as well as some others completed training in the management and identification of substance abuse last week. The training focussed on the supervisor's responsibilities to ensure employees are fit for work, as well as how to identify signs of substance abuse. We also held our first session for employees and will be holding at least one more session to complete this orientation.
- Ross noted that we received information on the rate increases for 2013 from the Henry Kroeger Regional Water Services Commission. He is currently working on a new utility bylaw and noted that the County rates will also be increasing to reflect this increase from HKRWS.

2013 Annual
Operating &
Capital Budgets

CAO Rawlusyk reviewed in depth the proposed 2013 Annual Municipal Operating and Capital Budgets for Starland County with Council. The major projects for the year 2013 were highlighted and noted that the total operating budget expenditures are estimated at \$12,830,591.00 and the total capital budget is \$3,885,425.00, plus a transfer to capital reserves of \$760,174.00, and with an overall budgeted surplus of \$3,835.00. CAO Rawlusyk noted that the total assessment within the County increased approximately 3.71%. The largest increase in assessment was from Class 1 - Residential Properties, which increased 35.02%. Non-Residential properties also increased approximately 2.75%, and these properties account for 57.95% of our total assessment. As always, he advised that we work towards a stabilized total tax rate in the County. In 2013, the draft budget presented will see a substantial decrease in Class 1 Residential tax rates, to potentially stabilize their total tax bill. The School tax rates decreased 8.22% for Residential and Farmland properties, and decreased 0.95% for Non-Residential properties. The Non-Collection Allowance increased 10.22% and the Drumheller and District Senior's Foundation tax rate increased 10.86%. The major items in the Capital Budget Estimates besides replacement of various vehicles and equipment, include the replacement of the Craigmyle Sewer Lift Station, two major bridge/culvert replacements, and the CLV Water Expansion and Upgrade Project,

Attendance of
PWS Pratt &
PW Report

At 11:20 a.m., Public Works Supervisor Pratt attended the meeting and reviewed his Public Works Report with Council. Highlights of his report included the following:

- Crews have been busy pumping water off the shoulders of the roads in some areas, installing signs and culverts, hydro-vaccing in front of culvert ends in all divisions, removing beaver dams in front of culverts and installing new guard rail east of Morrin.
- The new Volvo L70G loader arrived on May 10th and the Strongco reps held an orientation with the mechanics and operators on May 13th.
- Crews sorted and organized the culvert shipment that arrived.
- The Safety Barbeque was held on May 10th.
- A cargo securement course was held with all of the crews. The course was put on by Todd Wright and Brenda Gallagher.
- Clean-up was done on an illegal oil spill identified on the east side of Range Road 20-5 and south of Township Road 30-2. Total cost to the County for this clean-up was approximately \$7,900.00.
- Two employees completed Class 1 to Class 3 driver training with Todd Wright. As well, two employees completed their air brake endorsement course.
- Brenda prepared a pre-construction agenda for the 2013 gravel program and on May 27th, Al, Brenda, Colleena and Kevin met with the contract gravel truckers at the K & T Pit and went through the orientation and agenda.
- The road crew are working on the Munson Transfer Station Road; did a demolition for Gerry Diegel on an old trailer in Michichi; and completed some ditch work for Jim Nelson in his field.
- Several requests have been received for dust control, which Al hopes to start soon.

[C13-070]
Motion to cost
share gravelling
with Husky Oil
Ltd.

[C13-070] MOVED BY COUNCILLOR MARSHALL

that Starland County agree to share the expense of gravelling approximately one mile of Range Road 18-2, with Husky Oil Ltd.; that the County agrees to supply the gravel for this project and Husky Oil Ltd. will be responsible for paying for the trucking expense.

CARRIED UNANIMOUSLY.

Departure of
PWS Pratt

At 12:00 p.m., Public Works Supervisor Pratt departed from the meeting.

Attendance of
Manager Riep &
Municipal Services
Report

At 1:50 p.m., Manager Riep attended the meeting and reviewed his Municipal Services Report with Council. Highlights of his report included the following:

- Load Securement Training was completed at the County shop.
- Gino and Jason are currently attending a Small Water & Waste Water Training Course in Edmonton this week.
- Gino and Glen attended another workshop held in Hanna regarding the development of our water risk planning documents.

We are required to have a water risk assessment plan for each of our water systems in place by the end of this year.

- Glen met with Theo from MPE to inspect the Craigmyle sewage lift station. This inspection confirmed the need to replace the station at the earliest opportunity.
- The County wide fire restriction has been rescinded since the recent rainfall late last week. We have resumed issuing fire permits once again due to the improved conditions, however, permit holders are reminded of the caution needed due to the fluctuating wind conditions.
- Glen met with Westcan Wireless to review the latest Draft Radio Communications proposal.
- The Recreation Crew has started to get into full swing with the mowing program once again this season. The priority is to work through the cleanup of the cemeteries and then onto the Recreation sites and then onto the hamlets and other county owned properties.
- All campgrounds were busy during the long weekend.
- Glen met with Tyler Jans of Blue Earth Renewables concerning the Handhills wind farm project to discuss their projected time frame for construction. Due to the changes in the overall development, there will need to be a new development permit issued.
- He issued a "Stop Work Order" on a property in Rumsey as the owner commenced construction prior to final approval of their permit. The letter was issued in response to complaints from other residents of Rumsey.
- He attended the Disaster Forum earlier this month in Banff. The scope of the conference centered around Risk and Crisis Communications and how to effectively manage those risks.

Damage Complaint
re: S/L Hoover

Correspondence was received from Stephen and Linda Hoover, Delia, Alberta, with regards to flooding caused from damages to the drainage tile over a water line crossing on the SE 1/4 18-33-17-W4M. This damage occurred when the contractor inadvertently plowed through the line. They noted that it has been three crop seasons since this happened and they would like to get the crop and land damages settled. The area affected includes 30 acres of crop land and using the County crop damage payment schedule they determined the following damage payment is due to them:

30 acres @ \$600.00/acre = \$18,000.00 (Yr. 1)
 30 acres @ \$400.00/acre = \$12,000.00 (Yr. 2)
 30 acres @ \$266.00/acre = \$ 7,980.00 (Yr. 3)

Total: \$37,980.00

C13-071
Motion to approve payment of damage claim

[C13-071] MOVED BY DEPUTY REEVE AVRAMENKO

that Starland County pay crop damages to Stephen and Linda Hoover, Delia, AB, in the amount of \$37,980.00 for crop loss incurred on the SE 1/4 18-33-17-W4M, due to flooding caused when the drainage tile was damaged.

MOTION CARRIED.

[C13-076] MOVED BY COUNCILLOR MARSHALL

that Starland County adopt Policy No. 320-40, a policy for *Contractor Road Construction on Road Allowances* as reviewed, and that this policy become effective immediately.

CARRIED UNANIMOUSLY.

CAO Rawlusk reviewed the application that Palliser Regional Municipal Services prepared under the Regional Collaboration Program, for funding for the *Prism Aerial Orthophoto Enhancement Project*. Starland County and the Town of Drumheller are listed as municipal partners under this regional collaboration.

[C13-077] MOVED BY COUNCILLOR SARGENT

Be it resolved that Council authorized Starland County to participate in an application for the "PRISM Aerial Orthophoto Enhancement Project" submitted by Starland County with Palliser Regional municipal Services as Primary Contractor under the Regional Collaboration component of the Alberta Municipal Affairs Regional Collaboration program; further

That Starland County if the applicant, agrees to enter into, or as a participant, agrees to abide by the terms of a Conditional Grant Agreement governing the purpose and use of the grant funds.

CARRIED UNANIMOUSLY.

ATCO Electric provided a project update on the Hand Hills Transmission Project. The facilities application was submitted on April 16, 2013 and includes one final route which they feel will have the least overall impact.

A request for funding under the Amateur Team Grant program was received from the Rumsey and District Agricultural Society Minor Ball Committee. They have 39 participants this year, with 3 teams in total.

[C13-078] MOVED BY DEPUTY REEVE AVRAMENKO

that Amateur Team Grant funding be granted to the Rumsey and District Agricultural Society - Minor Ball Committee, in the amount of \$1,950.00 (\$50 x 39 participants).

CARRIED UNANIMOUSLY.

Correspondence was received from the Town of Drumheller. They are celebrating their 100th Centennial on May 13th, 2013 and invited the County to participate in the July 1st Parade. CAO Rawlusk advised that some employees have volunteered to organize decorating a float for this event.

Council discussed dates for the Annual Starland County Family Picnic.

[C13-079] MOVED BY DEPUTY REEVE AVRAMENKO

that the Annual Starland County Family Picnic be held in Rowley, Alberta, on Friday, July 19th, 2013.

CARRIED UNANIMOUSLY.

Copies of the Drumheller RCMP Detachment quarterly report were provided to Council for their review.

Indian Head
Nursery & Shelter
Belt Program

Correspondence was received from the Wild Rose Agricultural Producers in regards to the Indian Head Tree Nursery and Shelter Belt Program. They are seeking Council's support to ensure continued operation of the Indian Head Tree Nursery and Shelterbelt Program. A coalition of Western Canadian organizations has been formed and they have requested the federal government to ensure full operation of the Tree Nursery in 2013 to enable it to be transferred as a viable business in 2014. A business plan will be developed for the continued operation of the Nursery and Shelterbelt program on a cost-recover basis and to form a co-operative or non-profit organization as the entity that will operate the Nursery and Shelterbelt Program in the future. They are requesting involvement and support through two key actions, including writing letters of support to the federal government representatives and making a financial contribution of \$100.00 to assist the coalition with the costs of the business plan and other actions necessary.

C13-080
Motion of support
for Indian Head
Nursery & Shelter
Belt Program

[C13-080] MOVED BY COUNCILLOR SARGENT

that Starland County support the efforts of the coalition of Western Canadian organizations that are working towards sustaining the Indian Head Tree Nursery and Shelterbelt Program; and that a financial contribution of \$100.00 be made to assist the coalition with the costs of the business plan and other actions taken.

CARRIED UNANIMOUSLY.
