

Position Description

POSITION TITLE:	Motor Grader Operator (Divisional)
DEPARTMENT:	Public Works
REPORTS TO:	Assistant Public Works Supervisor Road Maintenance

SUMMARY OF POSITION:

The Divisional Grader Operator will endeavor to keep roads and back roads within his assigned division in reasonable driving condition free of washboard and excessive snow accumulations. Labour related duties need to be completed as assigned by supervisor. All work performed is to be executed in keeping with the following Starland County policies: County Policy for Conduct and Ethics, Company Rules, Starland County Safety Policy, and the Snow Removal Policy, as well as all Provincial and Federal Regulations applicable to this position.

RECOMMENDED TRAINING & QUALIFICATIONS:

- Grade 12 education or higher is desired. A combination of education and experience will be taken into consideration.
- A valid Class 3 Alberta driver's license with a "Q" endorsement, although a Class 1 license with air brake endorsement is preferred. A driver's abstract must be provided upon request.
- 3 years of grader operating experience.
- Must be bondable.
- Must have good working knowledge of summer and winter grader operation. This includes the operation of a wing and V-plow, scarifier, ripper and Sanvik grader blades and conventional grader blades.
- Must be capable of performing minor repairs to the grader and able to assist mechanical staff with repairs when required to do so.
- Must be adaptable to change in methods of work and new technology.

RECOMMENDED TRAINING:

- Equipment operation training in related fields. These courses include grader operation, loader operation, truck operation as well as construction equipment operation etc.
- Safety Training in various courses offered by Starland County such as: First Aid, WHMIS, TDG, Defensive Driving, Ground Disturbance and other courses as they are made available.
