CAO Report

CAO Bremer reviewed the CAO Report with Council. Highlights of the report included the following:

- Over the past few weeks, administration has been working towards getting all our grants either applied for or accounted for by submitting the Statement of Financial Expenditures (SFE). CAO Bremer completed the final reporting on the Alberta Community Partnership (ACP) grant that was received to assist with completing our MDP and IDPs with the Villages. The County also received our 2021 MSI capital allocation of \$1,607,355.
- CAO Bremer, CSD Fazekas, and LSD Carlson attended a virtual training session with Municipal Affairs to ask questions on applying and reporting on grant funding.
- CAO Bremer, CSD Fazekas, and LSD Carlson met with Tim Duhamel regarding the Tax Strategy Program that he is currently working on. He has requested a separate meeting with council to review this document.
- CSD Fazekas has been working on a preliminary 2022 budget which will be presented later in this council meeting.
- Our Fall newsletter has been completed and is presently being printed and will be mailed out shortly. Legislative Service Director (LSD), Jason Carlson was able to do an excellent job on producing it and finished it entirely in house.
- CAO Bremer spoke with Larry Anderson regarding our historical school sign project. He is interested and has graciously accepted to discuss this project further and to start working on it next year.
- With the slight easing of Covid rules, Community Peace Officer Thomas has been able to do some presentations in schools again. He recently attended the Delia School and was well received as students engaged discussions on his role in the County, safety, vehicle equipment rules, and rural crime.
- The 2021 Rural Municipality of Alberta (RMA) Fall Convention was well attended, and the two key-note speakers were very good. Starland's meeting with Hon. Ric McIver went well as did the meeting with Alberta Transportation representatives. The County's resolution to introduce an awareness campaign on SMRs was well received and was passed by the membership. There was some contention at the conference as the Alberta Urban Municipalities Association (AUMA) changed their name to Alberta Municipalities (AM) which is creating confusion as there is no longer a clear separation between Urban and Rural associations with their new name.

Public Works Supervisors Report

Public Works Supervisor Ken Menage attended the meeting at 9:35 a.m. Menage presented an overview of completed and next year's capital construction projects. Council was able to get feedback on upcoming projects to set priorities and projects that were no longer of value. This year's road construction projects started with a crew of 7 employees which dwindled down to 4 by the season end.

Fire Alarm Test

Menage's report was interrupted as council was evacuated for fire alarm test from 9:57 a.m. until 10:03 a.m.

Public Works Supervisors Report  
(continued)

Menage continued his report giving an overview of the 10 year road construction program and made recommendations and received feedback from council to help adjust the plan accordingly. Menage also provided a summary report of what public works has been working on recently. Some highlights include:

- installing two culverts and slope work at McDermid's Dam
- preparing equipment for winter
- helped with Town of Morrin Christmas lights
- working on 10 year road program and 10 year bridge program
- working on gravel tenders

Departure

Ken Menage departed from the meeting at 10:35 a.m.

Municipal Services  
Director Report

Glen Riep, Municipal Services Director attended the meeting at 10:35 a.m. and reviewed his report with Council. Highlights of his report included:

- CLV Water project has experienced several delays which has required an extension for the Municipal Stimulus Program grant as invoices may not come in until next year.
- Received a passing grade on audit by Alberta Environment & Parks for Compliance and Inspection on the Craigmyle Water Distribution system.
- Two solar projects are experiencing delays. Starland has approved extensions. One of the common reasons for the delays is a worldwide hardware shortage causing delays in fabrication.
- The BluEarth Renewables Wind Farm project in the Hand Hills was given a green light to proceed with the noted conditions.
- The campgrounds had a very successful season with all sites showing higher revenues for the season than normal.
- Fire Restrictions for Starland County were rescinded as of last week. The decent amount of snow accumulated throughout most of the County allowed modifying the Fire Ban status back to normal. Riep noted that although no burn permits are required this time of year, Starland still requests landowners to notify the fire chiefs prior to burning.

Glen's report was briefly interrupted for the Apex Utilities Inc. delegation that was scheduled to attend via zoom at 11:30 a.m.

Apex Utilities  
Delegation

Shane Milner of Apex Utilities Inc. joined the meeting via Zoom at 11:30 a.m. Milner introduced himself and presented a brief introduction of the history of Apex Utilities highlighting their recent name change from Alta Gas to Apex Utilities.

Departure

Shane Milner departed from the meeting at 11:37 a.m.

Municipal Services  
Director Report  
(continued)

At 11:37 a.m. Riep resumed his report letting us know the interruption to operations of the transfer sites during the Christmas season will be minimal with only a single day closure on January 1<sup>st</sup> at the Michichi site. Riep then wrapped up letting us know he was looking into the costs for asbestos removal from a county property and provided an update on the cemeteries.

Departure

Glen Riep departed from the meeting at 11:56 a.m.

Grant Application  
Updates

CAO Bremer gave an overview of our current grant application status of which the highlights are:

- Municipal Stimulus Program (MSP) was requested to be extended until March 31, 2022
- Strategic Transportation Infrastructure Program (STIP) grants have been applied for BF06918, BF13417 and BF13105
- 2021 Canada Communities Building Fund (CCBF), formerly FGTF application for BF06918
- 2021-2022 Municipal Sustainability Initiative (MSI) application for: Regravelling Program, Morton Gravel Pit Development & Crushing, Walker Road Construction, BF74375, and BF06918
- The County is no longer required to contract construction jobs to 3<sup>rd</sup> party contractors to qualify for grants provided the County can show comparison costs in the grant application. This can save the county considerable costs..
- Engineers are in place to start on BF06918

Federation of  
Canadian  
Municipalities

The Federation of Canadian Municipalities (FCM) membership renewal is due for 2022-2023. FCM has done a lot of good for rural municipalities and has had a positive cost benefit in the past that easily compensates the membership fees. For example, FCM was instrumental in getting municipalities 100% of our GST expenses returned. The fees are based on a flat rate of \$210 plus \$0.2041 per capita. With a population of 2066 that brings the total invoice to \$663.25.

**C21-302**  
**Renew FCM**  
**Membership**

**[C21-302] MOVED BY COUNCILLOR LANDRY**

**that the Federation of Canadian Municipalities (FCM) 2022-2023**

membership be renewed in the amount of \$663.25.

**CARRIED UNANIMOUSLY.**

Town of  
Drumheller Water  
Rate Increase

On November 22, 2021, the Town of Drumheller sent a letter as formal notice of their potable water rate increase. The rate will go up to \$1.8894, effective January 1, 2022. The increase is approximately 9 cents. The County will adjust their rates accordingly.

Red Deer River  
Watershed  
Alliance Funding  
Request

The Red Deer River Watershed Alliance (RDRWA) has asked for Starland's continued financial support for 2022-2023. Along with their funding request they included their 2020-2021 annual report. The RDRWA relies on the 50 cents per capita funding that comes from municipalities which makes up 20% of their annual funding.

**C21-303**  
**Issue RDRWA**  
**Funding Support**

**[C21-303] MOVED BY COUNCILLOR WATTS**

**that the County issue financial support to the Red Deer River Watershed Alliance (RDRWA) at the requested 50 cents per capita rate which would be a total of \$1033.00**

**CARRIED UNANIMOUSLY.**

Alberta School  
Boards  
Association Award

The Alberta School Boards Association (ASBA) has awarded Starland County their ASBA Zone 5 2021 Friends of Education Award. The County has partnered with the Prairie Land School Division on several occasions, and it is good to be recognized for the County's contributions. The award will be a brass bell which should be arriving soon.

Alberta Provincial  
Police Service  
Engagements

The Government of Alberta has completed a study as they consider replacing the RCMP with Alberta's own Provincial police force. This has invoked several concerns and discussions in rural areas. The Rural Municipalities of Alberta (RMA) is hosting a virtual townhall on January 6<sup>th</sup> to help members understand the study that was completed and allow them to ask questions and prepare to engage on the issue.

Then between January 2022 and March 2022, the Department of Justice and Solicitor General will be hosting virtual and in-person municipal engagement sessions that will be opened to elected representatives and municipal employees.

Council and a few staff are planning to attend both the RMA and one of the province's sessions.

Draft 2022 Interim  
Operating Budget

Corporate Services Director (CSD), Judy Fazekas presented to Council a draft 2022 interim operating budget starting with a 5-year capital plan. Highlights of the interim operating budget are:

- Budget is very close in scope to 2021 final budget. With delays from adding assessment and corresponding taxation revenue from the green energy developments, Starland County programs have remained mostly static. With reduction in 2022 MSI funding, our capital programs will be spartan this year, with very limited capital equipment purchasing.
- Projected operating revenue is for \$14,793,791 and an operating expense of \$14,699,758 which would leave an operating surplus of approximately \$94,000.
- Projected capital finances acquired of \$1,373,717 and capital finances applied of \$1,359,500 leaving a net capital surplus of approximately \$14,000.

Council will need to approve an interim budget before January 1st so operations can continue however, the final budget will not be approved until later in 2022 after the County receives more details on things like assessment values and grant approvals. Council will look over the budget and plan to approve an interim budget at their next meeting.

**C21-304**  
**Motion to**  
**Proceed in**  
**Closed Session**

**[C21-304] MOVED BY COUNCILLOR REW**

that under the exemptions granted by Sections 16 and 17, Division 4 of the Freedom of Information and Protection of Personal Privacy Act, Reeve Wannstrom, Councillors Rew, Watts and Landry, and staff Bremer, Carlson and Fazekas, proceed with the meeting in Closed Session at 2:40 p.m.

**CARRIED UNANIMOUSLY.**

Departed

Staff Bremer, Carlson and Fazekas departed from the meeting at 3:04 p.m.

Attendance

Staff Bremer, Carlson and Fazekas were invited back into the meeting at 4:00 p.m.

**C21-305**  
**Motion to**  
**Proceed Out of**  
**Closed Session**

**[C21-305] MOVED BY COUNCILLOR REW**

that the meeting proceed out of Closed Session at 4:00 p.m.

**CARRIED UNANIMOUSLY.**

**C21-306**  
**Motion to**  
**Provide Staff**  
**Christmas Hams**

**[C21-306] MOVED BY COUNCILLOR REW**

that the County authorize a \$1,000 budget to be used to purchase Christmas hams for staff in lieu of a staff Christmas Party.

**CARRIED UNANIMOUSLY.**

Other Business:  
 Request for Land  
 Lease in Michichi

The County had a request to see if the County would consider leasing a larger lot in Michichi to be used for holding two horses. There was no clear answer if there were any bylaws to allow this within the hamlet boundaries. Without policies in place and a lack of information it was not an appropriate time to make a decision.

Council  
 Committees

All councillors present reported briefly on the committees to which they are appointed.
