Re: 2024 Summer Hamlet Enforcement Initiative

Dear Homeowner,

I hope this letter finds you well. I'm reaching out to inform you about an important initiative that Starland County will be undertaking, starting August 2024. Our focus will be on enhancing the visual appeal and cleanliness of our community, as guided by By-law # 1184 – Hamlet Nuisance Abatement.

This bylaw, relevant to this initiative, can be found at:

<https://www.starlandcountyab.web.catalisgov.ca/admin/dm/Public/DownloadFile/?fileid=2136>
or a printed copy can be picked up at the Starland County office.

To assist homeowners in this process, Starland County is offering several opportunities and initiatives:

Property Inspections: Between the months of April 1st, until May 30th you are invited to reach out to the municipality to have your residential property inspected for contravention. This means if you have questions about the interpretation of the bylaw, what is a contravention or if your property meets the standards, please contact us.

Starland County, P.O. Box 249
217 Railway Ave North
Morris, AB T0J 2B0
(403) 772-3793 (Phone)
(403) 772-3807 (Fax)

Community Collection Days: Further, during the month of June the county has scheduled residential community collection days provided by our staff. We have organized collection days of unwanted debris, and our staff will be available on the following dates in these locations:

- Rumsey June 4th
- Rowley June 5th
- Michichi June 6th
- Craigmile June 7th

Please neatly bag items if possible and leave them at the front of your property for collection. County staff will dispose of it free of charge.

Beginning August 1st, the county will begin enforcing the bylaw. Notices of non-compliance, bylaw infractions and subsequent fines will commence as outlined in By-law 1184 and in the MGA section 545. Ultimately, this may include court orders allowing the county to rectify the contraventions at the homeowners' costs.

Our goal is to work together to enhance the beauty and pride of our Hamlets. We appreciate your cooperation and look forward to a productive clean-up initiative.

Sincerely,

Christopher Robblee, MPA
Chief Administrative Officer
